The committee examined the case and recommends that:-

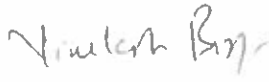

1. The 6<sup>th</sup> Central Pay Commission has Recommended the PB-3, 15600-39100+5400 to Group-A entry posts while in the Institute the Scientist-B (Group-IV) and Technical Officer-B (Group-III) have both mode of recruitment i.e. through assessment promotion from feeder grade as well as direct recruitment. Further there is no provision of direct recruitment in the PB-2, 9300-34800+5400 GP as per 6<sup>th</sup> Central Pay Commission.
2. The qualification, nature of duties and responsibilities of both posts either direct recruitment or through assessment are similar, therefore, it is proposed to grant the similar scale of pay to Scientist-B (Group-IV)/Technical Officer-B(Group-III) either recruited through direct recruitment or through assessment.
3. The matter was discussed in light of existing Central Pulp & Paper Research Institute Recruitment & Promotion Scheme for Scientific, Technical & Support Staff (Revised in August, 1999 and effective from 01.04.1996) and it was decided to consider to provide the benefit of scale to Scientist-B (Group-IV)/Technical Officer-B(Group-III) and also suggested to process the matter for updating/amending the rules accordingly.

SUB.: GRANT OF PAY BAND III, 15600-39100+GP 5400 TO SCIENTIST-B (Group-IV)/TECHNICAL OFFICER-B (Group-III) WHERE BOTH MODE OF RECRUITMENT ARE AVAILABLE i.e. DIRECT RECRUITMENT AS WELL AS THROUGH PROMOTION AS PER CPPRI RECRUITMENT & PROMOTION SCHEME FOR SCIENTIFIC, TECHNICAL & SUPPORT STAFF (Revised in August, 199 and effective from 1.4.1996)

As per 6<sup>th</sup> CPC the pay scale of 8000-275-13500 have been provided in two different pay structure i.e. Scale -15, 8000-275-13500 revised in PB-2, 9300-34800+ GP 5400 and a New scale 8000-275-13500 (Group A' Entry) was introduced in PB 3, 15600-39100+GP 5400.

As per existing Recruitment and Promotion Scheme for Scientific, Technical and Support staff of the Institute's Rule 7 under Heading Recruitment: Recruitment will generally be made only at the lowest grade in each Group but in Group-IV, recruitment will be made upto Grade (3) i.e. Grade Pay 7600 and in Group-III, up to Grade-4 i.e. Grade pay 5400 as per the need of the Institute.

Accordingly the Institute had filled up various posts in Group-III and Group-IV to the level of Scientist-B and Technical Officer-B in the scale of Rs. 8000-275-13500 through Direct Recruitment. Simultaneously lower posts are being upgraded through existing assessment scheme in the same scale and posts in the same Groups and Cadres which created anomaly in granting the scale of pay Rs. 8000-275-13500 to two same posts one for promotee through assessment one for direct recruit.

To remove the above anomaly, the then Director, CPPRI pleased to granted the PB-3, 15600-39100+5400 GP to Scientist-B and Technical Officer-B of Group-IV and Group-III where both mode of recruitment are available and accordingly Office Order No.CPPRI/P/M/1/10 dated 9.6.2011 was issued and pay of the concerned employee were fixed by the Personnel Division.

During the pay fixation, the Finance & Accounts Division raised certain observations and advised to seek expert advice from Administrative Ministry. The then Director constituted a committee to examine the issue related to placement of Scientist-B/T.O.B in the PB-3, 15600-39100+GP 5400 implemented vide Office Order No.CPPRI/P/M/1/10 dated 9.6.2011. The committee met on 12.2.2014 and recommended that:-

3. The matter was discussed in light of existing CPPRI Recruitment & Promotion Scheme for Scientific, Technical & Support Staff (Revised in August, 1999 and effective from 1.4.1996) and it was decided to consider to provide the benefit of scale to Scientist-B (Group-IV)/Technical Officer-B(Group-III) and also suggested for updating/amending the rules accordingly.

The recommendations of the committee was put up before the then Director for implementing the same and the then Director advised to put up the same before Council of Association for approval.

On the repeated requests/grievances from the concerned employee the case was re-examined in light of recommendations of committee, it is proposed to consider to grant the benefit of scale to Scientist-B (Group-IV)/Technical Officer-B(Group-III) and the matters of such anomalies may be incorporated during the reframing/updating of the Recruitment Rules which were already approved by the Council of Association in its 45<sup>th</sup> meeting.

Director may kind approve the same
