

Dated : Sept. 1, 2016

To,

The PIO
CPPRI
Saharanpur

Subject: Application for seeking information under RTI Act 2005.

Sir,

Being the citizen of India, I may kindly be provided following information :

Recently, CPPRI has extended promotion through assessment to its senior scientists as Scientist G. I understand that some rules / guidelines have been ignored for taking undue benefit. To confirm that the promotion is in accordance with the rules and regulations, I may kindly be provided the following information :

1. Approval of the competent authority for extending promotion upto Scientist G.
2. I understand, there was necessity to get it approved from DoPT, being the grade pay (Rs. 10000/-) as an apex pay scale. I may kindly be provided Certified copy of the approval from DoPT or rule position which exempt from such approval from DoPT, if the approval is not taken.
3. Certified copy of minutes of **evaluation of self appraisal committee** who awarded marks to these scientists. The document must contain the name and signature of the member(s) of the committee.
4. Final results containing marks to the candidates.

Rs. 10/- towards fee is being deposited in cash. Photocopying charges, if any, may please be communicated to the earliest so that the same could be deposited.

Thanking you,

Yours sincerely

(Naresh Mittal)
