pensioners. Annual increments will be allowed in the manner laid down in Rule 10 of Central Civil Services (Revised Pay) Rules, 2008, on the entire amount of pay as if pension had not been deducted.

3. Re-employed persons who become eligible to elect revised scales in accordance with these orders should exercise their option in the manner laid down in Rule 6 of the Central Civil Services (Revised Pay) Rules, 2008, within three months of the date of issue of these orders or in cases where the existing scales of pay of the posts held by them are revised subsequent to the issue of these orders, within three months of the date of orders / notification revising the scales.

4. Where a re-employed Government servant elects to draw his pay in the existing scale and is brought over to revised scale from a date later than the 1st day of January, 2006, his pay from the later date in the revised scale shall be fixed in accordance with the provisions of Rule 11 of the Central Civil Services (Revised Pay) Rules, 2008.

5. Further, the existing ceiling of Rs. 26,000 for drawal of pay *plus* gross pension on re-employment is enhanced to Rs. 80,000, the maximum salary payable to the Secretary to the Government of India under Central Civil Services (Revised Pay) Rules, 2008.

6. The President is also pleased to enhance the ignorable part of pension from Rs. 1,500 to Rs. 4,000 (Rupees four thousand) in the case of Commissioned Service Officers and civil officers holding Group 'A' posts who retire before attaining the age of 55 years. If they so opt, their terms would be determined afresh as if they have been re-employed for the first time from 1-1-2006. The option should be exercised in writing within three months from the date of issue of these orders. The option once exercised is final.

7. In so far as the persons serving in the Indian Audit and Accounts Department are concerned, these orders are being issued after consultation with the Comptroller and Auditor-General of India.

8. These orders shall take effect from 1-1-2006.
