Information Sought (जानकारी मांगी):

Please provide information about rules and regulations about establishment of a paper mill in any residential area. What are the requirements to start a paper mill like what kind of NOC will be required to start the operations of the paper mill. what is prescribed norms for air that polluted by the paper mill (Factory). How to verify that the mill is polluting the air of the area. if people of nearby villages suffering due to polluted air by the paper mill then what kind of remedies available to them. GLOBAL PAPER INDUSTRIES PRIVATE LIMITED Located at L S No. 370 Village Lorwada Ta. Deesa Near Over Bridge NH 27 Deesa Gujarat 385530 is polluting air of the nearby villages on very large scale. People suffering from health issues because of polluted air coming from the chimney of the factory is going directly in their breathing system. Also very fertile land of the nearby villages is damaging due to particles falling down on the agricultural land that is also very harmful for the livelihood of the farmers. Please provide information about above raised questions Because the factory named global paper industries private limited is polluting air as well as land of the farmers also.
